

DCP3 Cancer Volume Technical Review Workshop

Monday, April 15- Tuesday, April 16, 2013
CDDEP – 7th Floor Conference Rm, 1616 P Street NW, Washington, DC

Agenda

Review process – please note we are aiming for maximum interaction:

1. 20 minutes - Author presents the chapter in **10 slides only** -
 - Suggested format for slides:
 - 1-2 on background/burden
 - 4-6 on key findings
 - 1-2 on economic evaluations
 - 1 on recommendations
 - 1 on future work on chapter
2. 10 minutes - Discussant addresses key issues (**NO** Powerpoint!) e.g. strong points, weaker points, what more could be done
3. 30 minutes - General discussion – all participants are strongly encouraged to be as actively and constructively helpful as possible. We will expect that the participants will have read the materials prior to the meeting.
