ACE Meeting
March 13-15, 2013
Washington, DC

Interventions and Policies

Rachel Nugent, DCP3 Series Editor

(Technical) Interventions

- Primary (population) prevention: salt reduction
- Secondary prevention: polypil for high risk individuals
- Treatment: CABG or stenting
- Rehabilitation: cardiac rehab
- Palliation: for advanced heart failure

Policy Instruments

- Information, education, communication (IEC), further targeted to populations or specific groups

Policy Instruments

- Taxes and subsidies (fiscal policies, including financing mechanisms such as conditional cash transfers and results-based financing)

Policy Instruments

- Regulations and legislation (such as age limits to purchase alcohol)
